PREFACE.

Many of the returns came in so late, and were made out so variously, that my work had to be hurriedly done. After compiling and arranging much of the matter *several times over*—twice after it was *in type*—to condense it, I still have not room to give some items which I wish to give. Next year I must begin earlier—all returns must be here *in May*—and then from what I now have on hand, and what is promised me, (and by adding a few pages more to the work, provided encouragement allows my uniting it with the Companion,) I think I can better please myself, and render the work full, correct, and useful.

I have only room left to thank those who have so generously aided me—God bless them!—and ask the others (especially the Standing Clerks of Conventions and Associations) to do likewise. Send what you *have*—ALL you have—and it will be thankfully received by your brother,

A. B. GROSH.

N. B. ☞ Orders for next year should be sent as early as the 1st, of April, *if possible;* and should state whether they are for—1st, The Register and Almanac alone; or 2d, The Companion alone; or 3d, The Register and Companion united;—and those ordering the 1st or 2d only, should state how many they will take of the Register and Companion united, if the 3d is only published. For, if encouragement enough is offered, we will publish the 3d only.

ECLIPSES.

There will be two Eclipses of the Sun, invisible here—and two of the Moon; one invisible here; the other on August 13th, beginning about 1 o'clock, A. M., and ending about 4 o'clock, A. M.

Within this Association our cause has not advanced as we had a right to expect, on account of the peculiar views of religious *liberty* entertained by a large portion of its friends. They imagine *organization* an encroachment upon this right, and therefore have opposed it. But things are now assuming a different aspect, as many are discovering their error.

This Association embraces a district of country, the most of which has been recently settled, and where little effort has been made in behalf of our cause, from the fact that it is extremely difficult to induce preachers o go there; it seems to them so much out of the world.

"Westbrook Seminary."—There is a splendid building belonging to this institution, which remains *unoccupied* on account of the *total destitution of spirit and energy on the part of the trustees.*—There is no other reason why it is not in successful operation at this moment.

United States Convention—Composed of four clerical and six lay delegates from each State Convention in fellowship—meets third Wednesday and Thursday in September—Hosea Baldu, 2d, Medford, Mass., Standing Clerk. Organized, 1833.

Universalist Historical Society—Organized 1834; annual meeting same as U. S. Con.; President, T. Whittemore; V. President, S. R. Smith; Secretary, T. J. Sawyer; Treasurer, L. Seymour.
